

# Unit A: Development of Leadership

## Lesson 2: The Stages of Development

# The Four Stages

1. ME – the focus is on developing personal skills and abilities.
2. WE – the focus is on developing relationships with others.
3. DO – the focus is on putting one's vision into action.
4. SERVE – the focus is on serving and growing others.

# Developing the Me Stage

- Examine your values, beliefs, talents, attitudes, and interests
- Define your personal vision and set goals
- Risk
- Make sound decisions
- Prepare for career success

# Developing the We Stage

- Build and maintain strong relationships
- Meet new people
- Build trust with others
- Work in teams
- Celebrate diversity

# Developing the Do Stage

- Communicate your vision and goals to others
- Listen to other's ideas
- Prepare and plan
- Solve problems
- Evaluate your success

# Developing the Serve Stage

- Grow and develop others
- Serve others and your community

# Review/Summary

- What are the four stages of development?
- What are the components of the four stages?
