

AFGHANISTAN (Western Region) Food Security and Agriculture Cluster (FSAC) Flood Risk and Livelihood Assessment Map

WESTERN REGION

Overview of Observed Security Incidents Resulting in Civilian Casualties (Jan, 2008 – Jan, 2012)

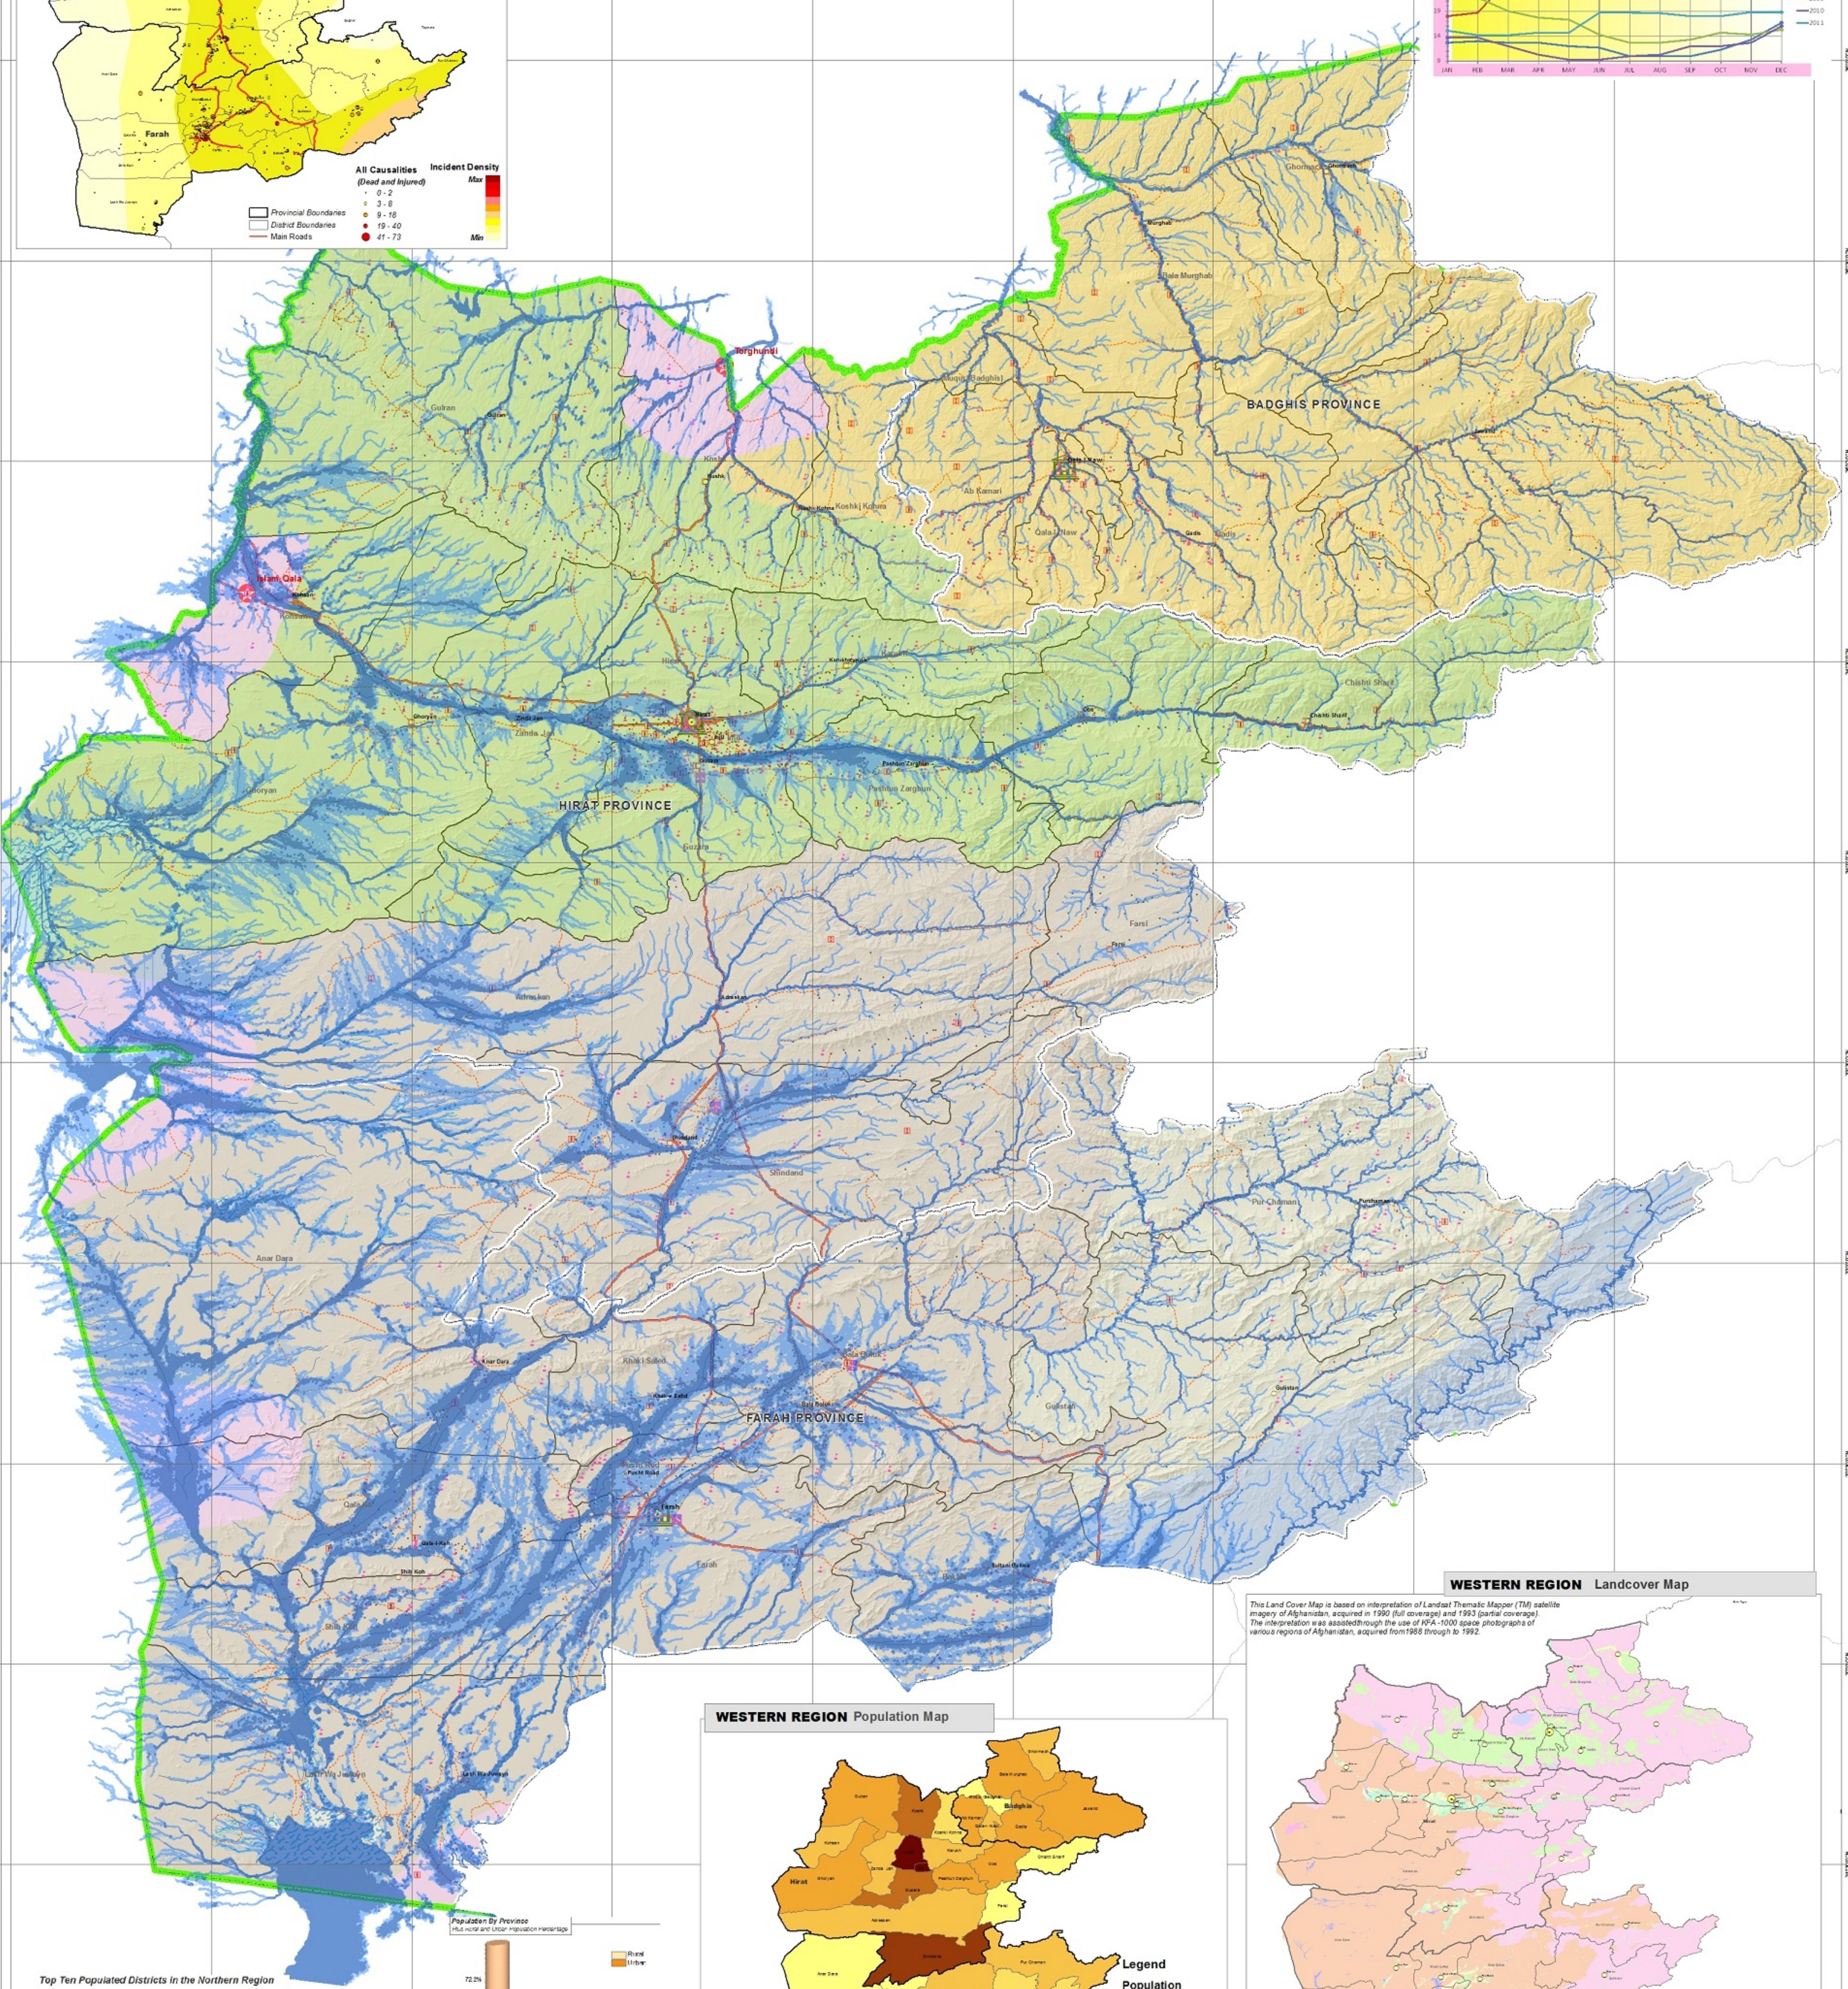

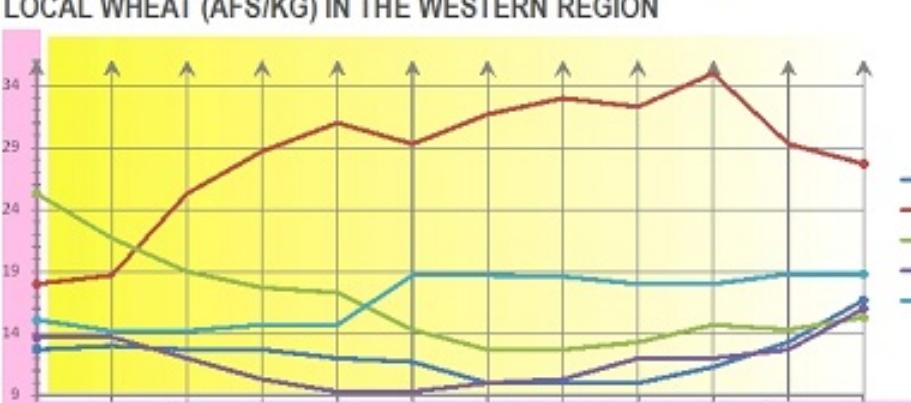

FLOOD DATA SOURCE AND DISCLAIMER

Flood data: NATO (Hagen et al. 2010), Rivers: USGS Afghanistan Project, Digital Elevation Model (DEM), Slope: USGS, Administrative boundaries: AIMS, Lakes: Drainage Basins: FAO & Environmental System Research Institute (ESRI). Flood Hazard created with hydraulic modeling using High Resolution Digital Elevation Model (DEM) data by NATO C3 Agency, and potential inundation extent. Reference: Emlyn Hagen, NC3A (2008) Afghanistan Flood Hazard Map v2. 1:100 000. From NATO Consultation, Command and Control Agency, CAT-6, Geo Team, NATO C3 Agency, The Hague, November 2008. The Afghanistan Flood Hazard were created by the NATO Consultation, Command and Control Agency (NC3A), Geo-Team. Some flaws and limitations of the data are described below. However, a degree of error is inherent in all maps, especially modeled maps and maps of dynamics events such as floods. Accordingly, the maps are distributed AS-IS without guarantees of any kind, either express or implied. NC3A shall not accept any liability or warranties for damages incurred from the use of these maps, including but not limited to warranties of suitability to a particular purpose or use. No attempt has been made in either the design or production of the maps to define the limits or jurisdiction of any federal, state, or local government. The map is intended for use only at the published scale.

WESTERN REGION Population Map

Top Ten Populated Districts in the Northern Region

Province	District	Population
Herat	Herat	423,300
Herat	Injil	233,900
Herat	Shindand	173,940
Herat	Gurza	140,100
Herat	Koshki	116,840
Farah	Farah	106,400
Herat	Pashtun Zarghun	94,330
Badghis	Bala Murghab	92,900
Herat	Qurtan	90,100
Badghis	Qadis	87,000

Population By Province

Herat: 72.2% Urban, 27.8% Rural

Farah: 72.9% Urban, 27.1% Rural

Badghis: 2.9% Urban, 97.1% Rural

Population

- Urban
- Rural

Province

- Herat
- Farah
- Badghis

Total

Population

- 485,500
- 14,200
- 440,100
- 474,300
- 13,500
- 450,600
- 466,100

BASELINE LEGEND
